OLG Crown Land Plans of Management (POM) Survey

Emails have also recently been sent by OLG to council General Managers inviting each council to complete a short survey about the development of POMs for Crown reserves.

The purpose of the survey is to gauge council progress on POM development and to inform the next round of POM training, which is scheduled for August 2019. The survey also gives your Council an opportunity to provide feedback on the support materials provided to date, and your future support needs.

A link to the survey is provided in the email to General Managers but if your council has not received the email, please contact Glen Colley, Principal Policy Officer on 4428 4129 or by email at glen.colley@olg.nsw.gov.au.

Note: The survey should be completed by the business unit within Council that is responsible for developing POMs. We are requesting that the survey be completed **by Friday 7th June 2019**.
